

Prairie Crossing 
Learning Farm
2011 Children's Farm Camp

Science, Food and Fun on a working organic farm!

Has your child ever held a warm egg – fresh from a chicken's nest?

Do you wish your child was more enthusiastic about vegetables?

Don't miss out — register for the remaining Farm Camps today!

Hungry Caterpillars – Ages 6-7 Years

Plants & Animals on the Farm & in the Garden

July 19 – July 29 (2 weeks), Tuesday – Friday from 1:00 – 3:30 p.m., \$200/child

Sweet Peas – Ages 4-5 Years

Using Our Senses to Explore the Farm & Garden

August 2 – August 12 (2 weeks), Tues. – Fri. from 9:00 – 11:30 a.m., \$200/child

Great Garden Gang –Fall – Ages 5-10 Years

Exploring Fall on the Farm & in the Garden

September 1 – October 6, Thursdays from 4:00 – 5:30 p.m., \$90/child

In each Farm Camp, “Young Farmers” will explore where their food comes from as they dig in the soil, care for plants, interact with the Learning Farm chickens, harvest crops, prepare their own snacks, and more!

Camps are held at the Prairie Crossing Learning Farm, 32400 N. Harris Road, Grayslake IL 60030. Download registration forms at www.prairiecrossing.com/farm/learning.php, or contact Erin Cummisford at ecummisford@prairiecrossing.com, 847-548-4062 ext. 11.

Prairie Crossing 
Learning Farm

The Prairie Crossing Learning Farm is one of the only organic farms in Lake County to offer educational opportunities to children. It uses three acres of land, several greenhouses, a children's garden, and a henhouse as outdoor classrooms. Seasonal programs rely on a staff that has expertise in both agriculture and teaching. For more information about Farm Camp, Prairie Farm Corps, or other volunteer opportunities please refer to www.prairiecrossing.com/farm/learning.php.
